- In cases where the Course Dashboard is set to open into a new tab or window, you will see an additional button to load Course Materials in a new window.

The screenshot displays a course dashboard interface. On the left is a vertical navigation sidebar with icons and labels for Account, Dashboard, Courses, Calendar, Inbox, History, and Help. The main content area shows a breadcrumb trail: [PI_Course_Dash_Demo_Marketing](#) > [Modules](#). Below this is a list of navigation links: Home, Modules, Discussions, Grades, People, Syllabus, Conferences, and Collaborations. A 'Collapse All' button is located in the top right corner. A red rectangular box highlights a section containing a dropdown menu labeled 'VitalSource Course Dashboard' and a link labeled 'Course Materials Dashboard - All Materials' with a chain-link icon.
